Features

Are you thinking about updating your closet?

There are many closet organizers available from wholesale cabinet dealers on the market today—but only a few with the quality accessories you need to give your closet a makeover that will last.

Through our free closet design process, you'll be able to instantly double your closet space, have drawers for storage, sectional shelving for larger items, and save space with tilting shoe shelves.

The closet organizers can be hung on the wall or stand on the floor and come with hanging rods or shelves to accommodate your needs. With in three widths, you can create the perfect closet for every bedroom or laundry.

Our closet organizers come in 9 interchangeable sections in 4 colors: cherry, espresso, white, and salt oak, in styles from modern to traditional to match each of our kitchen cabinets for congruent cabinetry throughout the home.

Choose from double hang sections with upper and lower rods for shirts/blouses or pants/skirts. You can also have a full set of shelves or mix an enclosed cabinet with doors, shelves, and a shoe rack for all of your accessories, large and small items, and of course, shoes and boots. Full hanging closet organizers are available for full-length dresses and long coats. You can create your dream closet to organize your wardrobe.

Our closet designers are waiting to speak with you for your personalized closet design perfect for your space. During the free closet design consultation, you can add finishing touches like glass-front cabinets or stylish knobs and accessories to add personality to your closet cabinet doors and drawers.

All closet organizers will come flat-packed in ready to assemble (RTA) sections and are easy to install. Update your closet with high-quality wholesale cabinets and beautiful closet organizers.

WE ONLY USE THE BEST QUALITY MATERIALS

Our Custom closet organizers are made with the Tafisa line of laminated products. With our custom closet organizers we can build directly to spec and sizes need.

Tafisa provides durable melamine finishes that are resistant to scratches, dents, water, and every day wear and tear. These products will fit any project or vision you might have. From finishes that look and wear better than solid wood, to ones that are etched and grained just like the real thing, we make it our goal to make sure every closet we design compliments your home.

Solutions Custom Closets can provide:

- Walk-In Closets
- Reach-In Closets
- Mudrooms
- Pantries
- Built-in Desks
- And More!!!!

Contact us for custom closets. We can make a closet from any of the decorative panels that they carry.

Glass Type

Low-iron glass is a type of high-clarity glass that is made from silica with very low amounts of iron. This low level of iron removes the greenish-blue tint that can be seen especially on larger and thicker sizes of glass.

Acid etched glass offers a smooth satin-like surface that offers privacy while maintaining a high level of light transmittance. Because it is not a coating, acid-etched glass maintains its look and finish over time.

Ultra Clean Glass Coating

UltraClean

UltraClean is a factory applied ultra-thin protective barrier that repels water and protects your glass from soap scum, hard water spots and stains. This eliminates the need for harsh chemical cleaners as the glass can easily be cleaned with water and a simple wipe down.
